

## Start June Strong Goals & Action Plans

1. What is the absolute number one goal you want to achieve or that will make the biggest difference in your business?
2. What is the greatest obstacle you are currently facing to grow your business?
3. For the best results, where do you need to focus your energy, attention, and efforts?

The First 3 Steps I can take immediately with my #1 goal for the business are:

- 1.
- 2.
- 3.

I will have time to work on this \_\_\_\_\_ days and \_\_\_\_\_ times.

The first part of the project is \_\_\_\_\_ and my deadline is \_\_\_\_\_.

My greatest obstacle is \_\_\_\_\_ and this has been an obstacle for me because \_\_\_\_\_.

Brainstorm some solutions from Conservative to Absurdly Outrageous.

The Solution that feels comfortable to me is \_\_\_\_\_.

The Solution that feels like a stretch for me is \_\_\_\_\_.

The Solution I need and must implement is \_\_\_\_\_.

Currently my energy and focus has been going to \_\_\_\_\_.

I need and want my energy and attention on \_\_\_\_\_.

Putting my focus here will \_\_\_\_\_.

My top priorities for June are:

- 1.
- 2.
